EXECUTIVE SUPPORT PROFESSIONAL

Detail-oriented administrative professional experienced in supporting executive operations, managing high-volume communications, and coordinating time-sensitive follow-through. Brings hands-on experience supporting a Vice Mayor, 2+ years in customer and financial account operations, and 6 years of community leadership. Trusted to anticipate needs, handle confidential information, prepare decision-ready materials, and keep priorities moving across distributed teams.

PROFESSIONAL EXPERIENCE

Executive Assistant to the Vice Mayor

Local Government Unit of Mansalay, Oriental Mindoro | Jul 2023 – Dec 2023

- Managed the Vice Mayor's daily calendar and appointments across meetings, official functions, and community engagements.
- Monitored official email and correspondence, surfaced priority items, and drafted timely responses on behalf of the office.
- Prepared reports, briefing materials, and meeting documents to support executive decision-making and public-facing activities.
- Captured detailed meeting notes, maintained action-item follow-through, and coordinated updates to help close open requests.
- Conducted targeted research and synthesized findings into clear summaries for executive review.

Senior Process Executive

Infosys BPM | Jul 2024 – Present

- Manage high-volume inbound communications involving financial accounts, transactions, and service requests with accuracy and discretion.
- Research and resolve account concerns while following regulatory requirements, internal controls, and documented procedures.
- Maintain precise records of interactions, updates, and resolutions, reinforcing strong document control and data-integrity habits.
- Mentor new hires through real-time coaching, process guidance, and onboarding support.
- Collaborate with Training and Quality teams to reinforce best practices and improve team performance.

Customer Service Representative — Telco Account

Alorica / Probe CX | Feb 2024 – Jun 2024

- Resolved billing, promotion, and connectivity concerns while communicating clearly with customers in a fast-paced environment.
- Recommended relevant products and services based on customer needs and account context.
- Provided proactive guidance that helped prevent recurring issues and supported a positive customer experience.

Youth Leader

Community Youth Organization | 6 years

- Led and organized community youth programs, strengthening planning, communication, and stakeholder-coordination skills.
- Coordinated schedules, logistics, resources, and event activities over a sustained leadership commitment.
